In Memoriam

Death, be not proud, though some have called thee
Mighty and dreadful, for thou are not so: . . .
One short sleep past, we wake eternally,
And Death shall be no more: Death, thou shalt die.

It's hard to describe something
or someone who has
helped us so much—
who has guided
and molded us.
We worked with you
and when we felt you
were wrong and we were right,
we worked for our own cause.
But things were accomplished.
Maybe your reasons for giving,
compromising, and refusing
were valid, maybe they weren't.
Maybe our desires were good
and maybe they weren't.
Yet in the end it all
came down to
they and we.
And they and we became
Us.

girls' league

Girls League is one of the largest and most active organizations, second only to A.S.B. Carol Murphy was president this year, and Miss Shumaker advisor. Their many activities for the year included the Sadie Hawkins Dance, Girls League Formal, Carnation Day, and a Slumber Party at the end of the year. Girls League gives every girls on campus a chance to get involved in helping plan and carry out activities that will add many pleasant hours to her high school life.

The groups pictured on this page are, **FROM TOP TO BOTTOM**; Track Stat Girls, Tennis Stat Girls and Baseball Stat Girls. Track Stats were presided over by Stephanie Cienfuegos and Baseball Stats by Kris Anderson. Tennis Stats were taken by the three girls pictured to the right.

more statistics

Las Aquatic was a group of girls that provided support for the water polo teams. Jennifer Vargas was president and Mr. Stuart was advisor.

Swim team is a competitive girls team that participates in swim meets in our district. Miss Hix did an excellent job of coaching them this year.

STAT GIRLS

Basketball Stat Girls were advised by Mr. Crowther. Keeping statistics for all the basketball players was one of the main functions of this group. Led by Denise Benton, these girls also helped bolster the teams' morale.

Girls in Support of Wrestling had many fund-raising projects this year, one of which was a raffle that helped to buy a new wrestling mat.

Our other outstanding arm of the music program is the band. An exceptionally talented group, this year they completed a perfect marching season winning every tournament they entered and also earned superior ratings at concert festivals. On these pages you see pictures of our two bands in rehearsal and pictures of the councils for the Symphonic (left) and

Concert (right) bands. Perhaps, however, the most important factor in the success of the Conqueror band this year is our director, Mr. Morell Pfeifle, who has done an incomparable job in his six years at Los Altos. All in all, it has been another year to be proud of for the music groups at Los Altos.

For those interested in skiing, a new club was formed. Led by Mr. Bliestien, Ski Club was an immediate success. Trips to various ski resorts were just a few of the activities this club hoped to execute.

Madrigal is the most exclusive of the choirs. Comprised of twenty talented students, this group performs at many local functions and state-wide competitions. The choral director, Mr. Riggs, is pictured at the right, and accompanist Mrs. Adelman is shown above. Their work is endless and is reflected whenever one of the choirs perform.

On this page is A Capella Choir and Women's Glee. A Capella is for the more advanced choral student. It is the largest of all the groups and performs at many festivals and competitions, at which they never fail to perform superbly. Women's Glee is shown at the bottom of the page. This all-girl choir sings at Christmas and spring programs.

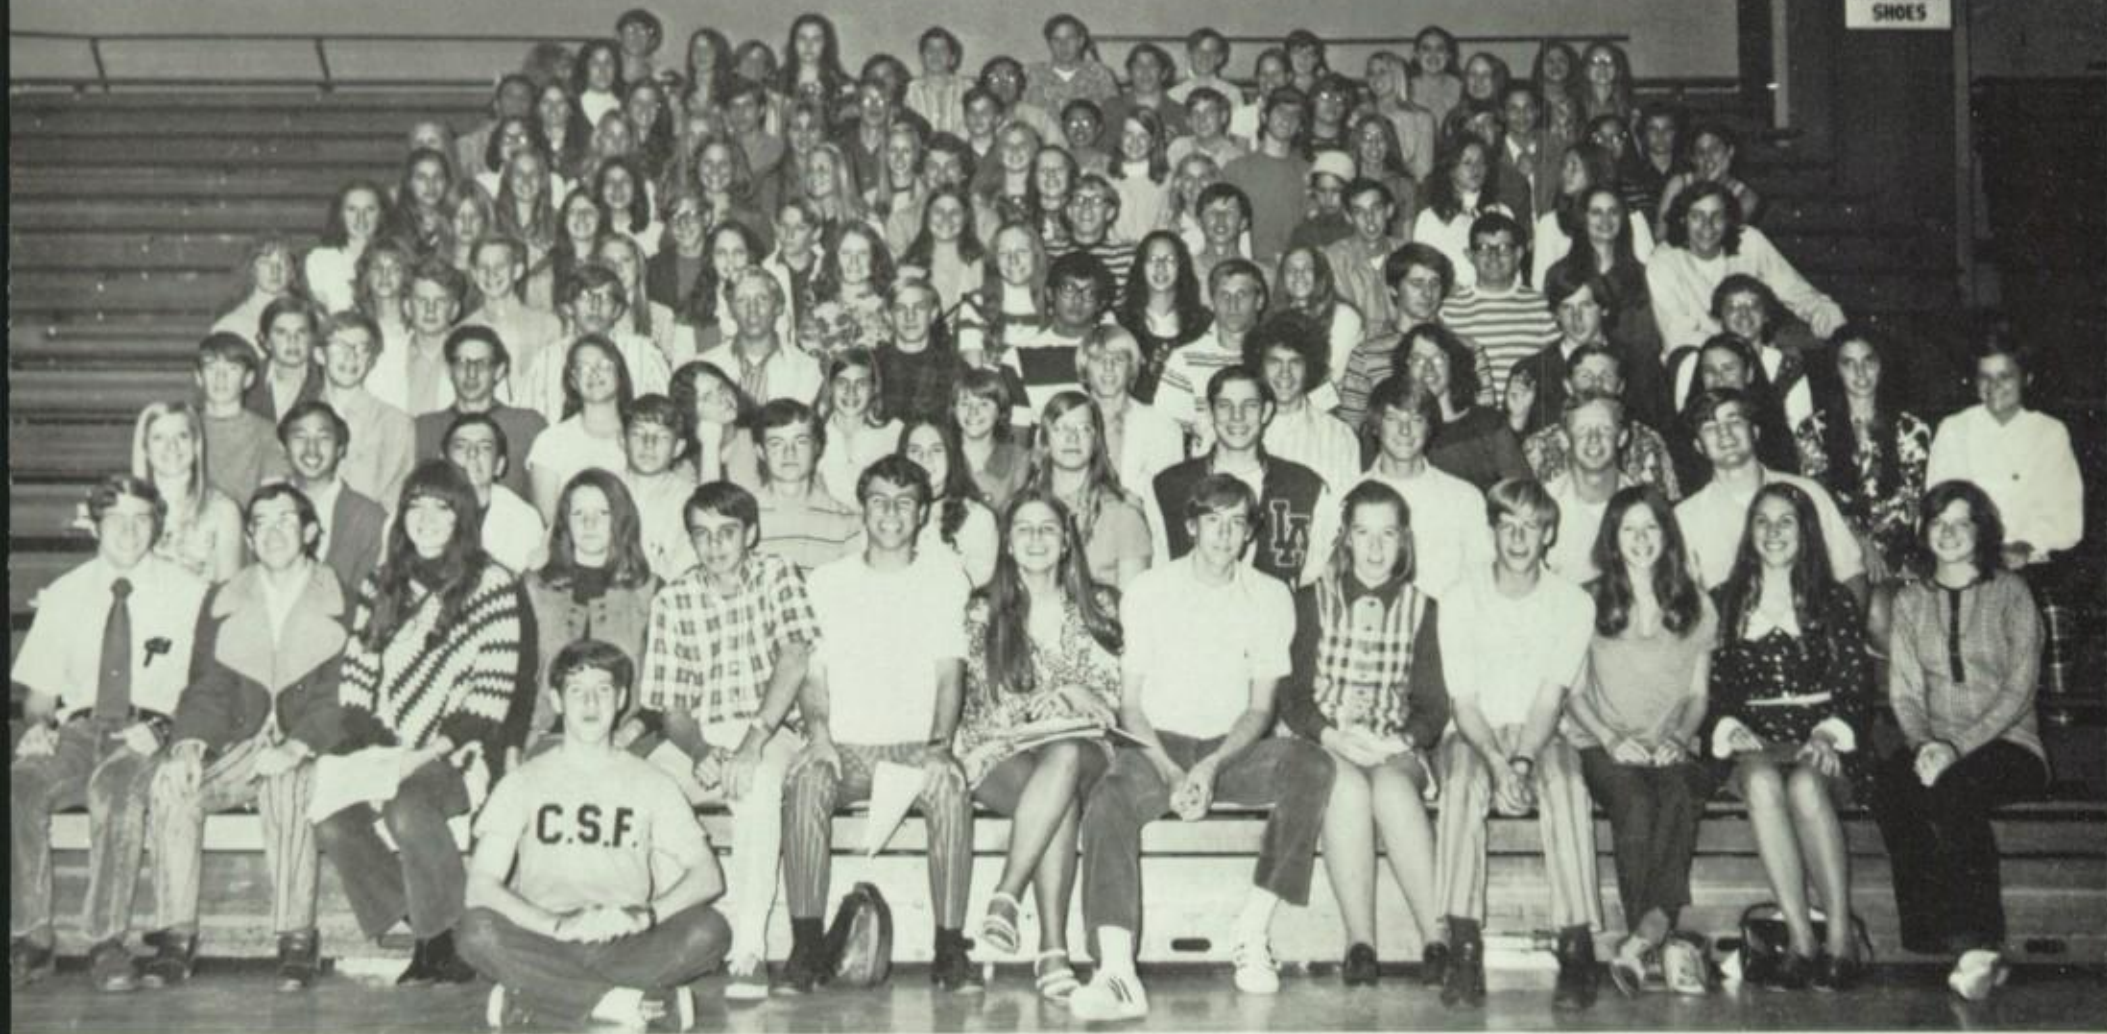

Choirs

The choirs were, as usual, excellent this year. Pictured on this page is Advanced Women's Ensemble, a choir composed entirely of girls. Also shown is their male counterparts, Men's Glee. Both groups perform at Christmas and spring programs.

C.S.F. is the only completely academic organization on campus. Membership in this group gives official and lasting recognition to exceptional scholars. Mr. Jennings served as advisor. He is pictured below, along with C.S.F. officers. To the right are life members. This is a status achieved by being a member for five semesters.

print club

Print Club started at second semester this year. Mr. Stewart in charge, members learned the various intricacies of printing and the silk-screen.

Mrs. Bradbury did her usual fine job of directing and supervising our drama group this year. Despite their relaxed appearance in front of a camera, these students really worked hard, and it was obvious at the presentation of "The Man Who Came to Dinner," a comedy play that they put on this year.

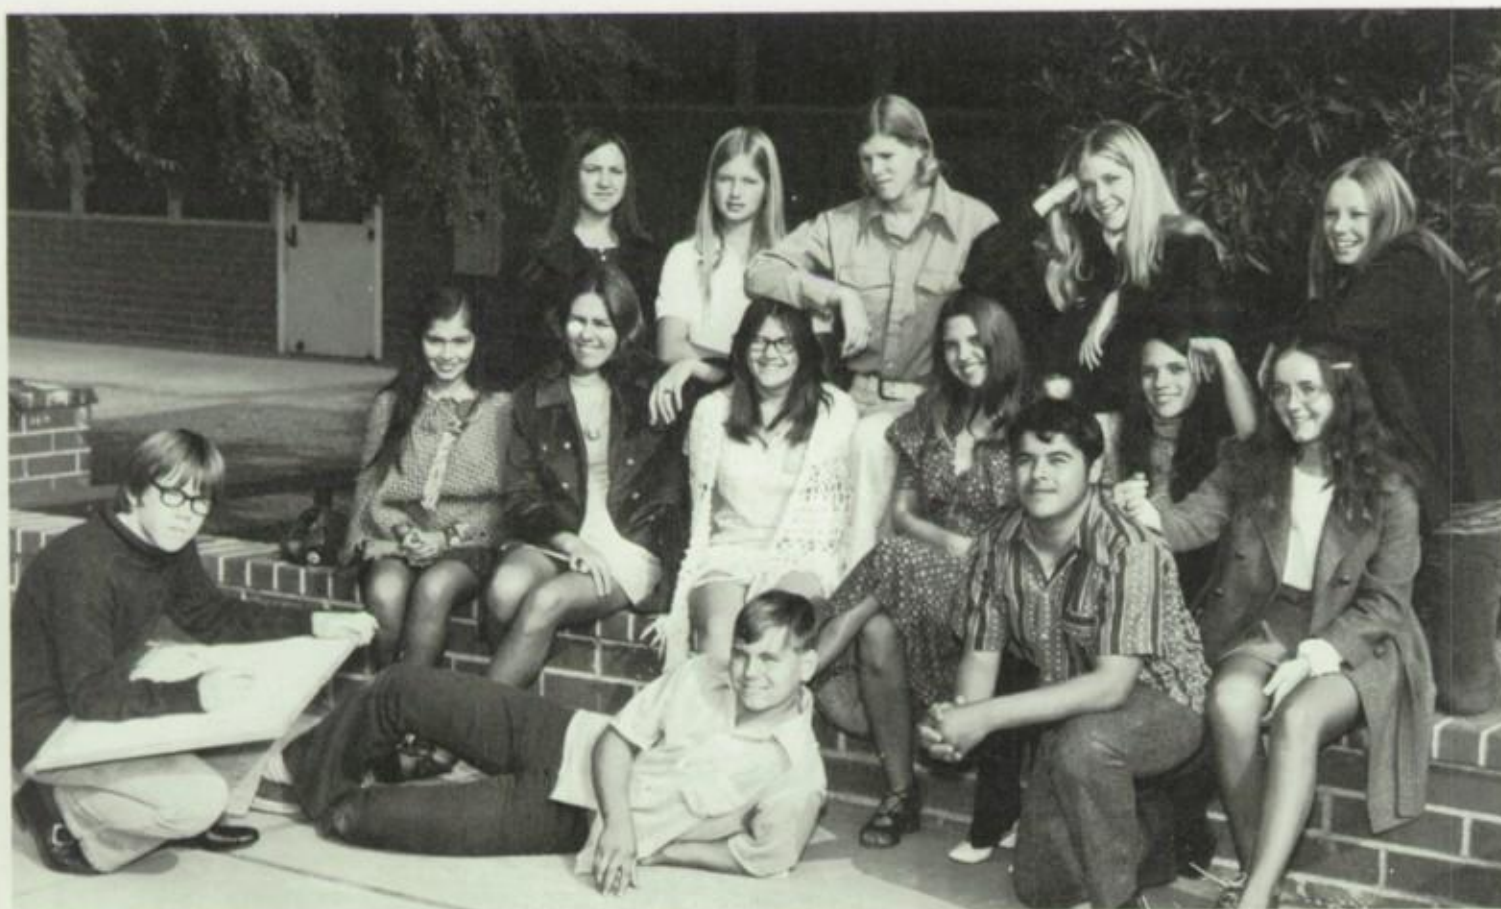

the school

Modern Dance is a class and club combined. These girls work relentlessly throughout the year. The result is an exhibition put on at the end of the year. Miss Propst is advisor for the group and aids them as they work on the techniques of Modern dance.

For artistically inclined people there was Assemblage. Under the supervision of Mrs. Horsburgh, this talented group's activities included a sketching trip during Thanksgiving weekend and various other outings.

radio club

The operation of an amateur radio station is the main activity of Radio Club. Led by Mr. Watson, this club was open to anyone interested in obtaining their amateur radio license.

key club

Key Club is a boy's service organization affiliated with the local Kiwanis Club. Among their activities for the year was

a Christmas Tree Sale, a City of Hope tour, and a picnic for the orphans at the Samaritan Home.

Marcelo Pontes de Sousa, a junior, hails Itaperuna, a town of about 100,00 in Rio de Janeiro State, Brazil. He is the guest of Mr. and Mrs. John Guest. Fluent in Portuguese, Marcelo also speaks English with some Spanish and French. His favorite subject is biology.

Marcelo intends to be a doctor, and will go to the university next year, if he passes the test.

He finds many things to his liking about America, especially "big cars, snow, newspapers and fruits."

Bobungen, a modern little town near Stuttgart, Germany, is the hometown of Traute Hadbawnik. She is the guest of the Reagan family. She speaks some French, Rumanian, and German, aside from English.

While in America, Traute was introduced to tennis, and lists it among her favorite activities, along with skiing, horseback riding and ping-pong.

When Traute graduates from high school in Germany, she plans to travel and see new countries and customs for a year or two before entering a university.

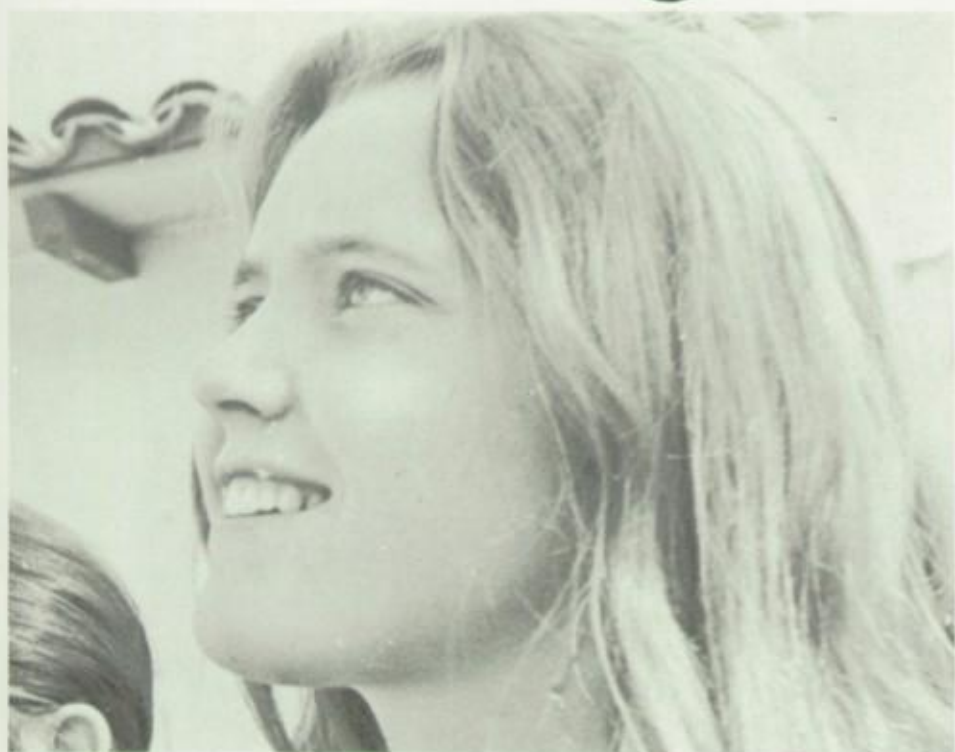

Joelle Miara is from Marseille, a large seaport in Southern France. She resides with the Hockett family. She is studying Modern Dance, Psychology, Math, Choir, and American Minorities. Joelle likes to go to movies, listen to records, and laugh. She enjoys American food and music. "Fashion here is much the same," she says, "except you have much more freedom to dress here, and I like that."

Joelle is not certain of what field she will pursue, as she is interested in not only biology and physiology, but also political science and philosophy. She loves being a foreign exchange student and it is evident in her manner and the feelings of those around her. According to Joelle, "To be an Exchange student is a great opportunity and experience. It opens your mind and your understanding. Most of all you learn that people are people and that's all."

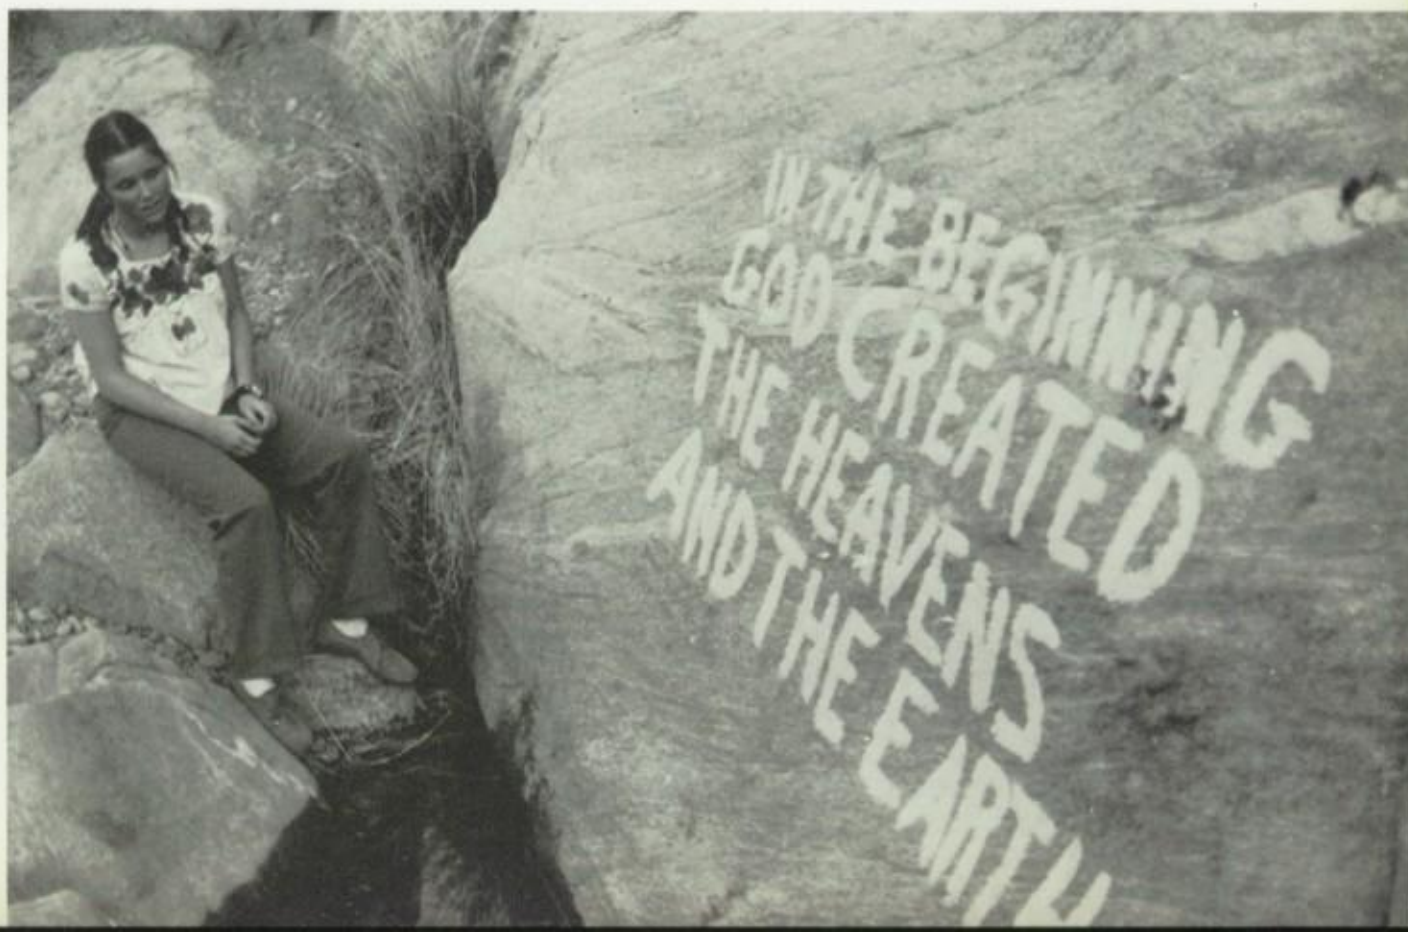

foreign exchange

On the following three pages are pictures of the four foreign exchange students whose company we were privileged with this past year. They are Ulla Svensson, Traute Hadbawnik, Marcello de Sousa and Joelle Miara.

Ulla, "the Swedish one", comes from the city of Molndal, which is close to Goteburg, the second largest city in Sweden. A senior this year, she stayed with the Woodburn family. Ulla has taken several years of English, in addition to German and Russian. A serious student, her favorite subjects are math, chemistry, and physics. She plans a career in medicine.

Ulla believes she has become more independent and open-minded as a result of her visit to the United States. Upon her return home, she plans to encourage other people to come and spend a year here.

international club

The job of the International Club was to serve as hosts to our foreign exchange students. One way was having a tea which gave the public a chance to meet our foreign visitors.

Another journalism class at Los Altos this year is **El Farol**, our school newspaper. As always this fine paper kept us informed about school activities and other

items of interest. El Farol is a credit not only to its excellent staff, but to their advisor, Mrs. Hughes.

On these pages you see shots of this year's Annual Staff. They are an interesting group of people whose job it was to bring you the book you are hopefully enjoying. Many a Saturday have we spent racing deadlines. Our sincere thanks to our advisor, Mrs. Rego.

Mr. La Sala was in charge of Ecology Club, one of the better known of all campus organizations. Re-cycling used paper was just one of the projects initiated by this active group. The Earth Festival and an ecological paper provided plenty of work for these students, but they were more than ready to meet the challenge of cleaning up pollution.

Trips to the beach were just a few of the many outings that Marine Science Club participated in this year. Led by Mr. Anderson, students interested in oceanography learned much more of the world under water.

Anthropology Club was an ideal outlet for those students interested in early man. Mr. Huff supervised this group on many outings. The club's field trips were not only educational, but also recreational. In addition to excursions, members were given an opportunity to see many special films.

F.T.A. was a club that gave career-minded students a chance to get a little bit of practical experience. Under the guidance of Mrs. Woldenberg, these ambitious young people got a taste of the field of teaching by tutoring to individual students.

Chess

Chess Club participated in many tournaments this year and fared well in all of them. The club was open not only to those adept at the game, but also to anyone wishing to learn. Under the supervision of Mr. Huff, these young people demonstrated that the students of Los Altos not only excel in athletic endeavors, but also in more intellectually inclined competition.

With a membership of about a hundred girls, Modeling Club was one of the largest groups on campus. In an attempt to provide an insight into the modeling profession, this club engaged in activities such as a fashion show and a presentation at the Girls League assembly. They also entertain speakers from local stores who relate to the girls various aspects in the fields of cosmetology and modeling.

Modeling

Led by Robert Trentham, and with the guidance of Mr. Bryeans, Publicity Club once again proved to be one of our most active groups. During the days preceeding most events, they can be found outside the ASB office busily making the signs that help make the Los Altos student body one of the most informed in the district.

Photography Club is a group of young people, under the supervision of Mr. Stewart, whose devotion to taking pictures aid the students of Los Altos to record some of the important moments in their school life. In addition to taking pictures for the yearbook, a monumental task in itself, they also provide pictures for El Farol. When the Sadie Hawkins Dance or the International Ball roll around they are right there taking pictures to finance outings in which they explore some of the more creative and advanced concepts of photography.

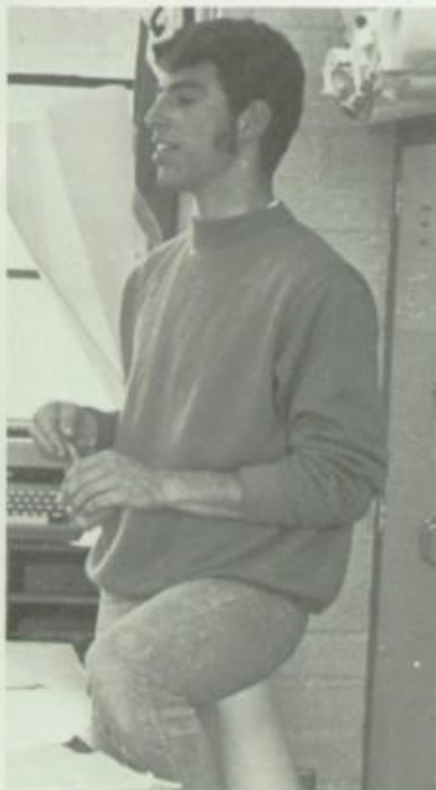

სტუდენტური კონგრესი

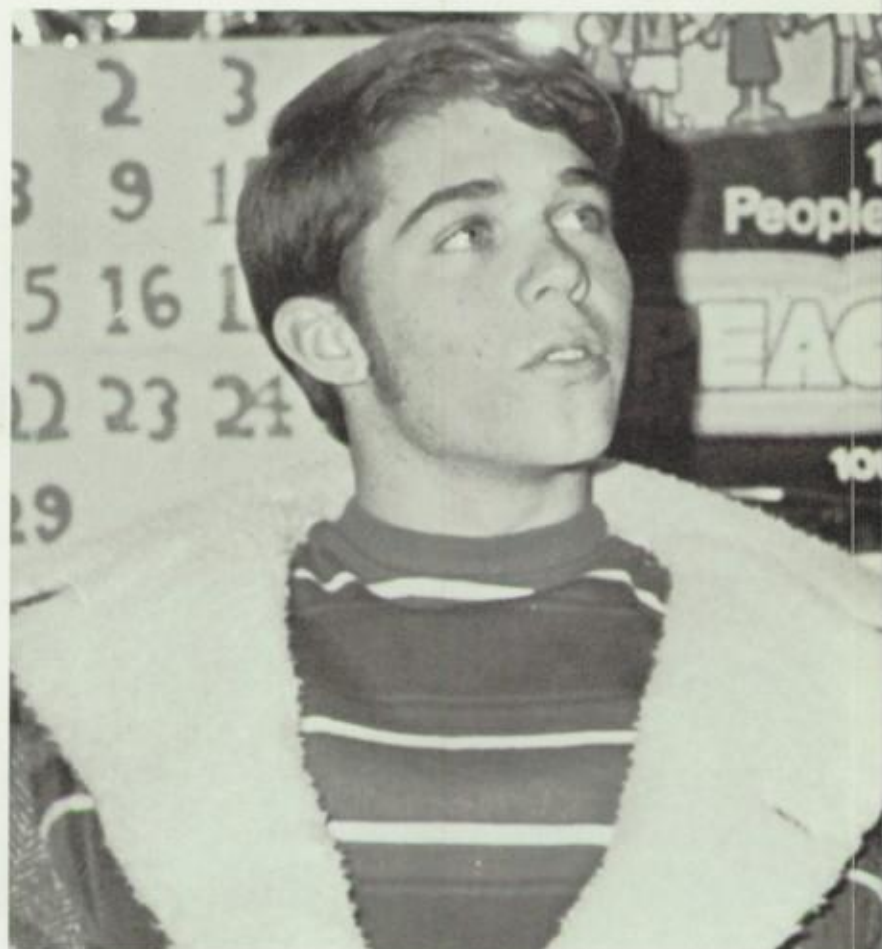

Our Student Congress is pictured here. There are about 225 members, one for each ten students enrolled. The idea behind Student Congress is to form a link between students and the A.S.B..

Inter-Club Council, or I.C.C., was presided over by Dave Kozich, Secretary of Organizations. Representatives from each club on campus belong to this organization whose main purpose is to co-ordinate their various activities.

We cannot separate ourselves
 from what we must
 do today or from what we did yesterday or
 from what we
 will do tomorrow. Because life
 does not stop when today turns
 into tomorrow. Living would
 only be an existence without
 this cohesiveness—this something
 that ties everything together.
 We cannot separate the classroom
 from the assemblies,
 or the football practices
 the band practices
 the cheerleading practices
 from summer vacation.
 None of these activities can
 completely divorce themselves
 from the other.
 And even as we grow and
 live together in
 "this place where laughter
 is born"
 we find we are encircled by
 each other.

Under the Stars

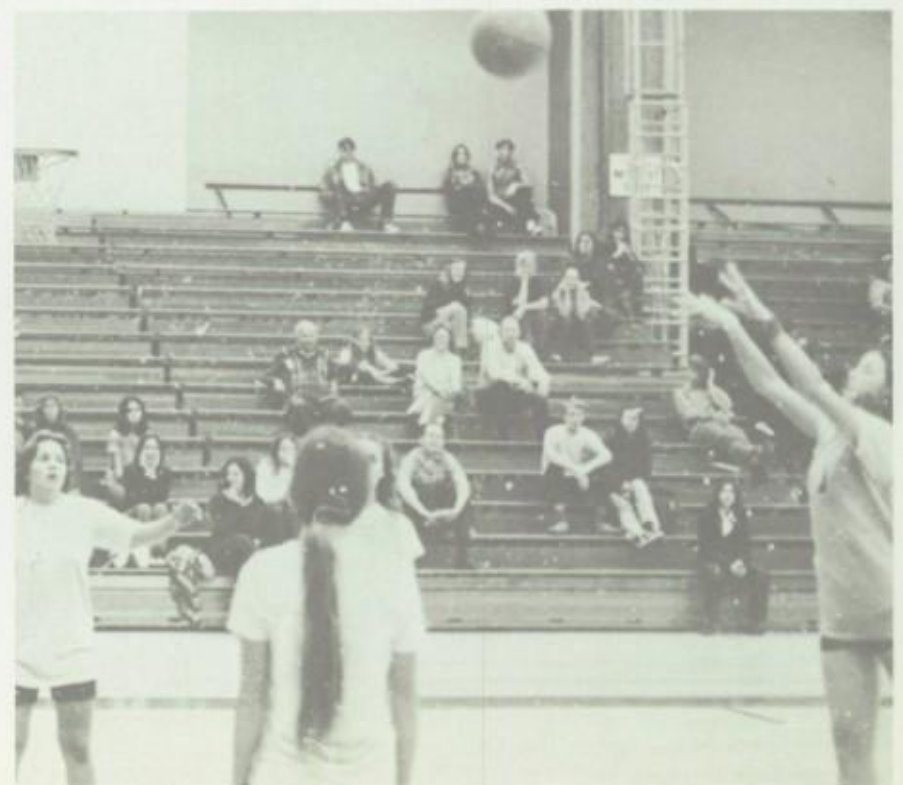

I look and I want
 to see
 everything.
 But I cannot.
 I live but for today
 and look for
 all my tomorrows.
 I wait,
 but I know not
 for what.
 I listen and I
 hear
 my own visions.
 "Into that bright spot
 that is silent;"
 I find you and you and you . . .
 I find that and that and that . . .
 A circle of things
 round, round, round.
 And here I live.

SOCCER

Badminton has always placed well in the league, winning several years and coming in second three times. They have had the skill and the techniques. Two outstanding singles players that returned were Esther Mendoza and Debera Waska. Debera went undefeated last season at top singles position. We also had some good returning players in doubles.

"The Man Who Came to Dinner" played to a roaring throng December 8-11 at Kwis. This play met with more success than any previous one in the history of Los Altos. This raucous comedy was expertly directed by Mrs. B. J. Bradbury with the help of Bronwyn Dawson. The triple-talented cast was aided by the stage crew in their thespian endeavor. This play was about the exploits of Sheridan Whiteside, critic, lecturer, wit, and idol of millions, while in the cringing home of Mr. and Mrs. Ernest Stanley. The production was highlighted by guest appearances of a troop of penguins, "Roach City", where the "in" cockroaches congregate, an Egyptian mummy case, and an octopus sent by Jacques Cousteau. While the strangest group of people on the loose since the Barnum and Bailey circus fire looked on, Lorraine Sheldon attempted to win Bert Jefferson's affections from Maggie Cutler. All in all, the Los Altos Drama Department deserved a pat on the back for a job well done. Their successes this year point toward a bright future.

The Varsity Waterpolo Team inspired by the excellent leadership of Coaches Bonaly and Stuart, swam to victory by defeating all but one of their opponents. The overall record for their season was 13-1 making them the Coast League Champions. The two highest scorers of the season were John Swanson and Joe Vargas with scores of 62 and 47 respectively. Goalie Dave White led the team in his position with 109 saves. The Varsity Team has shown to all of L.A. opponents that this is really the year of the Conqueror.

homecoming '71

This year's Los Altos Homecoming ranked as one of the best in the school's history. The evening festivities began with a parade of the floats which were manufactured by the school's myriad of clubs. After the floats were parked, the capacity crowd of 7,000 people sat back to watch one of Los Altos' best all-around games ever. The illustrious Conquerors romped to a victory over Covina, taking over first place.

The halftime festivities featured the crowning of the 1971 Homecoming Queen. The court was first transported around the track in antique cars. They were then escorted by their fathers to the center stage. All waited with baited breath as the Queen was announced. Debbie Nims graciously accepted amid tears, laughter, and congratulations. A fireworks show then thrilled the crowd. All in all, it was a night to remember.

Spirit week this year was not merely observed, but was an actual happening. It featured a beauty contest between class presidents, with Vic Dahl inching out Dan Carroll. A tug of war was followed by a greed-driven flagpole climb for a \$5 bill. A sponge toss at the class presidents erupted into our biggest campus disorder ever. The Freshman class float took Sweepstakes in the parade.

FRESHMAN FOOTBALL

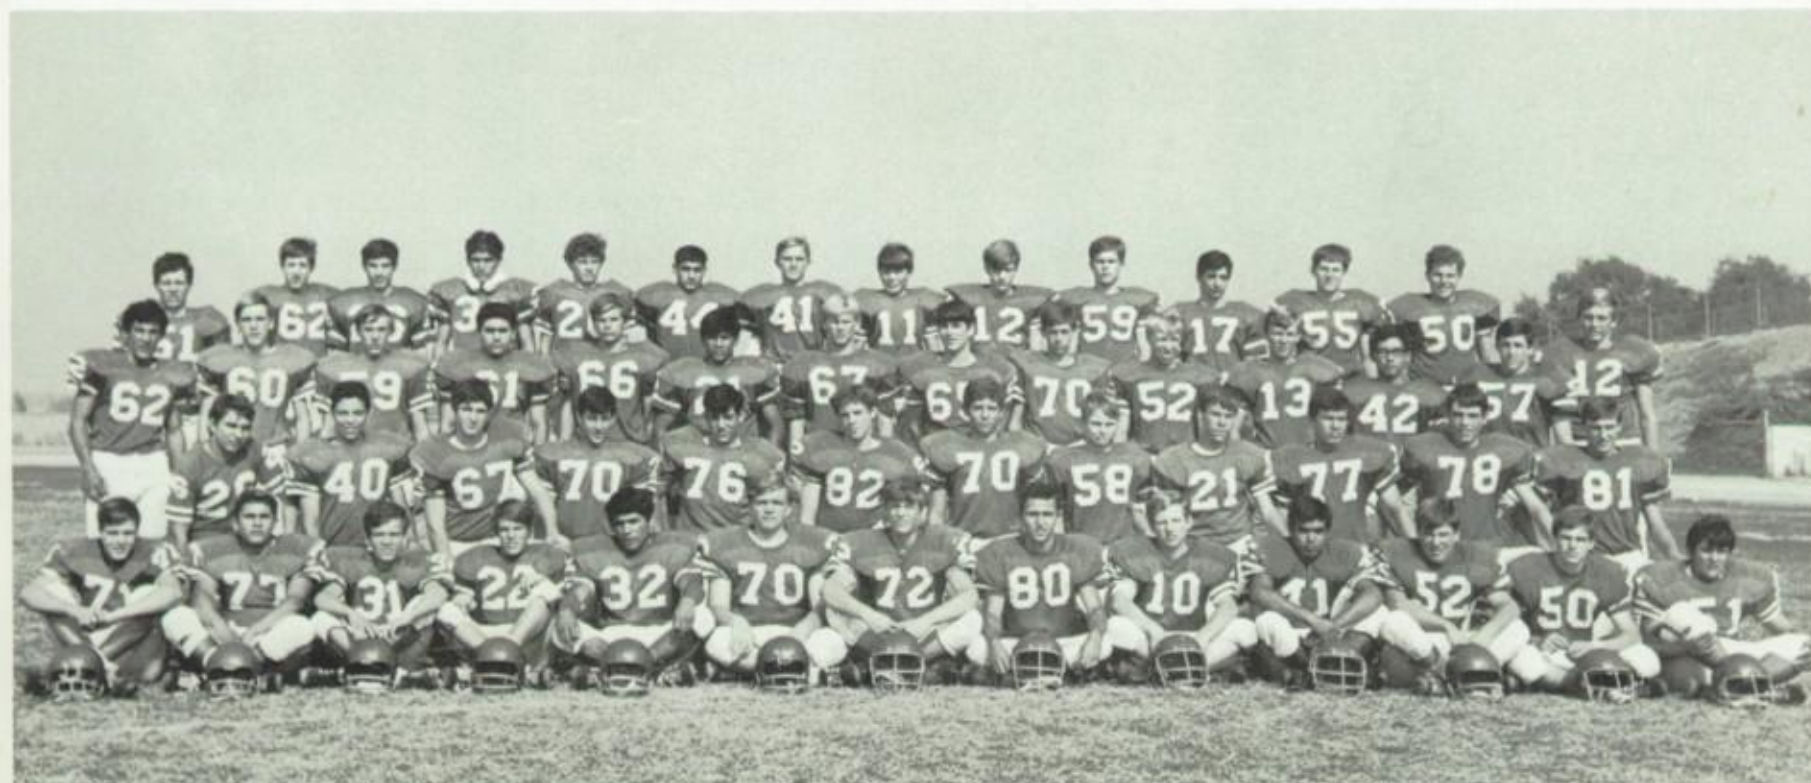

"Who's got the BALL?!"

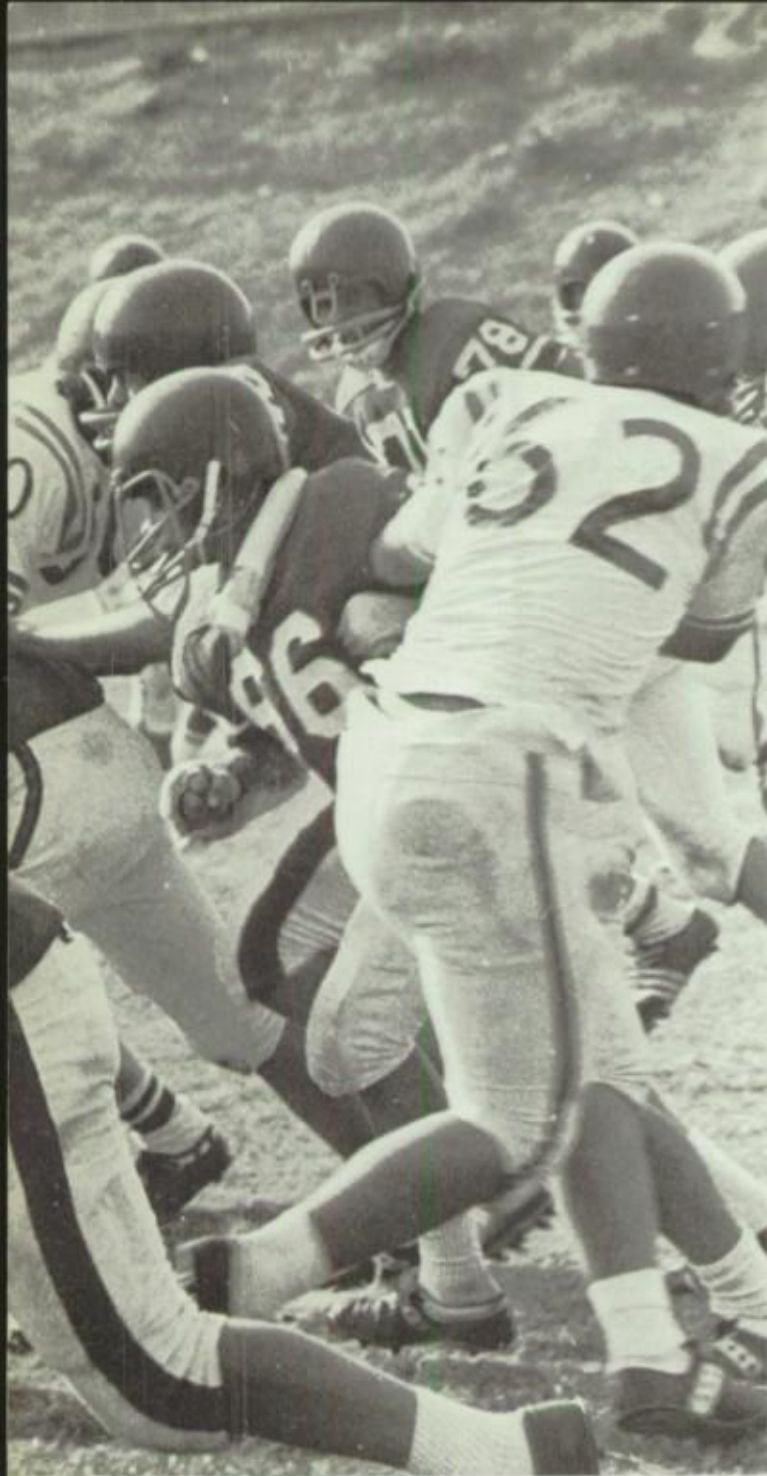

The Freshman Football Team had another big year at the Red and the Blue, making it the second season in a row to be undefeated in their division. The Freshman were led in their victorious march by Head Coach Stangeland. Their record for the season was 9-0.

Inspired by the excellent coaching of Coaches King, Calver, and Howard, the Sophomore Team was unstoppable in their quest for victory. The Team finished the season with a 9-0 record, thus capturing the Sierra League Title for their division.

The Sophomore Team is to be congratulated on their outstanding performance on the playing field at home and away games.

Rated 3rd in League this year Los Altos Varsity completed the season with a 6-3-0 record.

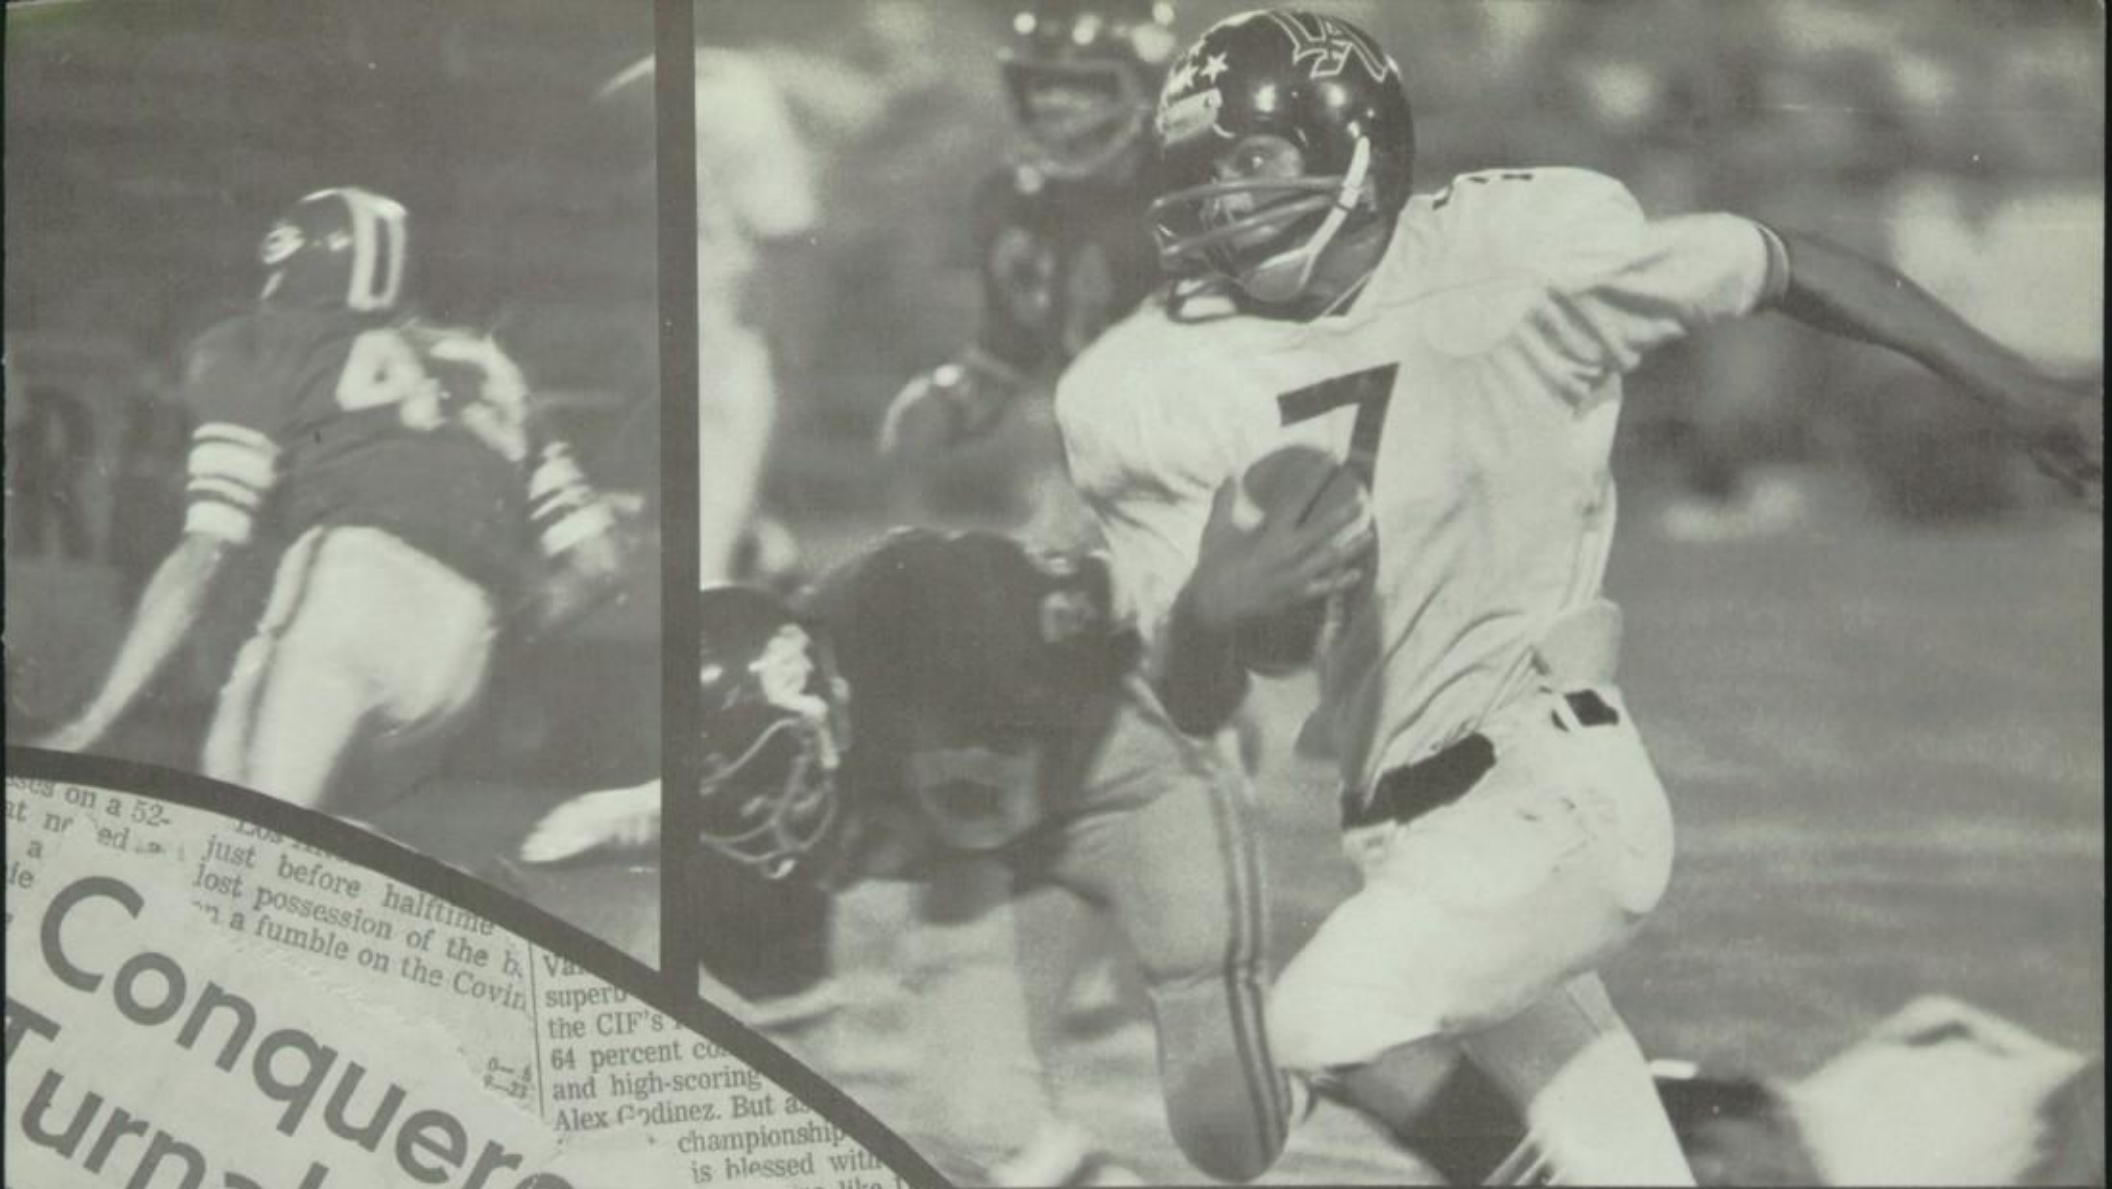

Although the season started in defeat, as Wilson captured the Inter-Community trophy, this first loss didn't reflect upon the victories that followed.

Homecoming again this year was highlighted by a conqueror victory as Los Altos clobbered Covina by a score of 23-8.

Still another high point of the season was the victory over our cross town rivals - as we ran over La Puente 20-14.

Without the coaching of DeSpain, Aria, Merrill and Olsen this years team wouldn't have had the fine season that they did.

Conquerors Discover Turnabout Ingredient

helped the Conquerors score twice. Gordinez, at defensive halfback, intercepted a Covina pass and returned it 40 yards to the Colt 24. From there, Hertel completed three of four passes in the last drive.

though Godinez and some unproven receivers were the primary reasons for optimism as well as a nucleus of experienced defenders like Oscar Duarte and Wayne Seeber. The emergence of Hertel is likely the biggest reason for Los Altos' current success; that and the fact Seeber has blossomed into perhaps the league's best defensive player. Hertel's poise proved the difference in the Azusa game as he completed seven straight passes on the tying drive. Then after the defense forced Hertel into a position game-winning drive.

ALL-AROUND KICKER

LA's Dunn Tops

By TOM YORK
Tribune Sports Writer

With 1:40 remaining in a then 20-20 tie game with Azusa three weeks ago, Los Altos' No. 44 Dunn provided the school's third consecutive victory, a victory tied for first in standings with a 40.6 yard average. Dunn owns a perfect five-for-five record on field goals this year, best among all Valleys kickers. His third-quarter 44-yarder against Glendora broke a 7-7 tie and ignited his club to a 33-7 triumph which left them alone atop the conference standings with a 4-0 record.

The biggest shares of Los Altos' headlines this year have gone to a deserving defensive back Rob Heiser, who has passed to one to and scored another night as his Los Altos team defeated Covina 28-8, before 7,000 fans. Coach Dwayne Spain's Cougars over undisputed champions of the Sierra League.

I remember hearing you laughing
today-
it was a jocund kind of laugh

just the fact that you were
there . . . and I was too
that will let me remember

SOME MEMORIES ...

The last year.
My senior year.
What will I remember?
Times weren't always good,
but when I look back,
and laugh about
our youthful seriousness,
the refrain of the years
will have sweetened and
smoothed out the sour times.

No more loneliness.

The Perfect Year

It was not a perfect year.
But has there ever been a perfect year?
Has there ever been a year
When all the love and health and fame
We wished for one another
Ever came to pass?

Yes, despite the disappointments
Of these, our complex lives,
We learn to make do
make better
make believe
That better days will come.

And if we do continue to believe
Who is to say
The perfect year
Will not yet be here?

SHARI,

Lois Wyse

Hi, How ARE you?
well, I-t's BEEN ALONG 2
